Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Please, please allow me to  
continue using my natural hormones from  
Madison Pharmacy! Since switching from  
Prem-Pro (awful stuff), I have had no  
arthritis, break-through, hot flashes, weight gain,  
etc. Madison Pharmacy has made my life  
wonderful since switching to their compounded  
prescriptions!
